

This system was established to utilize  
your “**skills**” to help someone else “**in need**”,

## Registrants wanted! for our “Instructor Bank System”

Register your

# 「*skills*」

with us

### ■Register if you are able to

- translate/interpret Japanese into foreign language(s) or foreign language(s) into Japanese.
- teach Japanese to foreigners or foreign language(s) to Japanese people.
- introduce your culture(s)/custom(s) to Japanese people. Or if you have any other skills to help someone in need.

※Refer to “Instructor Bank System Outline” for details.  
(Currently only in Japanese)

You can access from the QR code  
on the right.

### ■When to register

At any time

### ■Target

18 years old or above who is enthusiastic for and understanding of international exchange/multicultural co-existence activities, healthy in mind, body and spirit and has skills to fulfill client’s request (any nationality is OK, however, as a general rule, communication with client will be in Japanese.)

### ■Past requests are as follows.

- Can you translate our community circular notice into \*\*\* language?
- Can you introduce your culture and custom to elementary school students?
- My foreign coworker does not understand Japanese so she cannot go to the doctor. Can you help her?
- Can you give a lecture on the difference between Japan and your home country at some charity organization’s meeting?
- Can you hold a workshop to introduce Japanese traditional culture to foreign citizens?  
and so on

### ■How to register

Fill out the prescribed “Instructor Bank System Registration Form” and bring it directly to us.

※Registration form is available at our counter or on our website.

You can access from the QR code on the right.

### ■After registration

Client will directly contact you when they consider you are suitable for their request.
