Please Apply → via QR code

Organized by

Toyohashi International Association **Cooperated by** Toyohashi City Disaster Prevention and Risk Management Division, Multicultural Society & International Affairs Division

Toyohashi City is working to train "Foreign Disaster Prevention Leaders" who have acquired knowledge and skills related to disaster prevention by utilizing their communication skills. Upon completion of the introductory, basic, developmental, and leadership courses, participants are issued a certificate of completion and are expected to work with local residents and serve as a link between Japanese and foreigners.
